

Three Keys to Leading a Multigenerational Workforce

Krishna Powell

HR 4 Your Small Biz

For the first time in history, there are six different generations in the workplace. In this interactive workshop, you will learn how to lead each generation, navigate conflict between the generations, and understand the significant financial impact a multigenerational workforce can have on your bottom line.

About Krishna

Known as "The Multi-Gen Leader," Krishna Powell has been a featured expert on CNBC, Yahoo Finance, CareerBuilder, Glassdoor and other platforms, and serves as guest faculty at the Goldman Sachs 10,000 Small Businesses program. With a focus on managing a multigenerational, multicultural workforce, she and her team globally facilitate talent development and coaching, impacting clients around the world including France, China, the UK, Africa and Singapore.
